

LONG YEARS AGO

April 8, 1904

Five carloads of cattle were unloaded at Didsbury last week, to provide breeding stock for local ranchers.

Several of the farmers have been discing and harrowing their land during the past week, preparatory to seeding.

Councillors of the Improvement district have decided to levy a tax of \$7 on a quarter section for road improvements.

About ten cars of settlers with their stock and effects arrived in Didsbury during the last few days. Land seekers are coming in every day.

A combination coach and baggage car is to be attached to the morning and evening freights on this line in future, for the convenience of the travelling public.

MR. AND MRS. WALLACE HUGHES HONORED WED.

A host of friends and relatives of the Westcott and Rugby districts met on Wednesday evening last to honor Wallace Hughes and his bride who recently arrived from England.

The event took the form of a charivari and shower. In spite of mud holes and broken culverts cars converged from east and west to meet at the Hughes residence. Wally's old saw fiddle, a bit creaky with age, was taken out of storage and used on him at last. Wally introduced his friends to his bride and they welcomed everyone in, but as the crowd was so large the balance of the evening was spent in the Rugby hall.

Mr. Jack Robertson took charge of the programme. Mr. Alex Robertson and Miss Jean Robertson led the community singing. Mrs. Hosenood gave one of her humorous readings on "matrimonial difficulties." Mr. Alex Robertson delighted the audience with two solos and the versatile master of ceremonies produced a very entertaining poem.

The bride and groom were then made the recipients of many useful gifts which they graciously acknowledged. Afterwards a "Jolly Good Fellow" and "Auld Lang Syne" were sung and a bountiful lunch was served.

It is the wish of all that the newly married couple will enjoy much happiness on their farm home west of Didsbury.

ANNUAL MEETING OF DIDSBURY DAIRY CALF CLUB SATURDAY

The annual meeting of the Didsbury Dairy Calf Club was held at the home of Tom Morris on Saturday, April 6th, with 18 members present.

Two classes of mature Holstein cows were judged. Reasons for placing the first class were given by John Parker and Cleone Webb. Alice Bruce, Claude Webb and James Clarke gave the reasons for placing the second class. The correct placings were given by Mr. Hugh McPhail of the Olds School of Agriculture.

Following the judging the meeting was opened by the President, John Parker. The minutes of the last meeting were read by Jeanette Worrall, Sec-Treas. The financial report for the year was also given.

Election of officers were as follows: President, John Parker; Sec-Treas, Jeanette Worrall; Club Leader, Tom Morris; Directors: Mr. E. Clarke, Mr. B. Parker, Mr. Gibb and Mr. E. Clarke's place.

Topics were given to Claude Webb on Bloat, and to James Clarke on Scours, for the next meeting which will be held May 4, the place not being definite, but it will be at either Mr. C. Gibb or Mr. E. Clarke's place.

The idea of two types of classes was agreed upon. There will be a junior and a senior class. Senior calves from September to March 1, and Junior class from March on.

After the meeting adjourned a delicious lunch was served by Mrs. Morris. The club members also wish to thank Mr. J. Worrall of the Crystal Dairy for the ice cream.

A hearty vote of thanks was tendered to Mr. and Mrs. Morris, and the members departed.

Among the local piano students of Miss M. Carry taking part in the Piano-forte Recital at Carstairs last Friday night were: Gordon Robertson, Patsy Halliday, Lois Coeffer, Fay Prevost, Orel Swalm, Paul Redfield, William Swalm, Donald Robertson, Helen Swalm, Doreen Snyder. Mr. Alex Robertson also took part in the program, rendering a vocal solo.

ANOTHER LARGE EGG

Mrs. Chas. Marston, east of Didsbury, brought in another large egg to the Pioneer Office Saturday. The specimen measured 7 1/2 inches by 6 inches in circumference and weighed 4 ounces. This egg was laid by a New Hampshire pullet and Mrs. Marston claims the hen crowed loud and long after delivery, evidently to let the world know of its wonderful feat.

RUGBY W.I. MEETING AT HOME OF MRS. HOSEGOOD

This month the Rugby W.I. meeting was held at the home of Mrs. D. Hosegood with an attendance of 19. After the usual opening exercises the business of the day was proceeded with. All arrangements were made to serve lunch at a coming sale. A quilting party will be held on April 12. A donation is being made by this branch to the funds of the Junior Red Cross Children's Hospital fund.

It is hoped to have a free picture show in the hall in the near future, date to be announced later.

Mrs. L. Krebs gave an interesting account of the immense increase in production of all our Canadian industries, and Mrs. A. Blain had a short talk on the removal of mildew stains. A parcel of food for a family in Britain was packed, ready to go forward.

This concluded the program for the afternoon and the meeting closed with the National Anthem. The next meeting will be held at the home of Mrs. A. Hogg.

GAME ASSOCIATION TO PAY 5c PER PAIR FOR ALL CROW AND MAGPIE FEET

At the Fish and Game Association meeting Monday night George Spargo, secretary of the Provincial Association, stated that the predatory bird campaign in Alberta was now in progress and that the Provincial Government had set aside \$7500 as total bounty money to be paid out this year for crow and magpie legs.

The bounty set is 5 cents per pair for all crow and magpie feet, regardless of age of bird. In addition to this the Municipal District of Mountain View will pay additional bounty, making quite profitable for the boys and girls to go hunting those predatory birds during the spring and summer.

Eggs will not be collected this year, and no payment will be made by the associations on them.

Final details for the cashing in of crow and magpie feet will be published later.

MELVIN NEWS NOTES

Wednesday evening friends gathered at Melvin school to bid adieu and good luck to Mr. and Mrs. C.G. Carlson, old timers of the district, who are leaving shortly to take up residence in Calgary. The evening was spent playing cards. A. F. Cowitz, on behalf of many friends presented Mr. and Mrs. Carlson with an electric toaster, and John E. Nelson with a leather purse.

The whole affair was a complete surprise to the guests of honour. We all wish them the best of luck and hope they get along fine in their new home in Calgary.

We were very glad to see Mrs. Ross Youngs home from the hospital.

Quite a few new faces in Melvin district attended the hockey game in Calgary Monday. It looks like they gave Trail quite a beating. On Friday evening, April 5th a Silver Anniversary party was held at the Melvin hall for Mr. and Mrs. E. Dupont. Many friends gathered and the first part of the evening was spent playing cards, followed by dancing. Mr. G. Youngs, on behalf of the many friends, presented Mr. and Mrs. Dupont with a set of silver. Everyone had a lovely time and it was the wish of all that they have many more years of happiness.

THEM KJAR SHOWS PICTURES AT FISH & GAME ASS'N MEETING

The first regular meeting of the Didsbury Fish and Game Association was held in the Lions Hall on Monday evening and a large crowd turned out, including several members from Olds Game Association.

President E. Wiggins occupied the chair and introduced the president of the Olds Fish & Game Association, Ralph Scitte, who stated that an endeavor would be made to open up a road this year to Burnt Stick Lake, and asked the support of the local club in this matter.

Ed Ford, chairman of the Fish Committee, reported that arrangements were being made to have the Fallen Timber stocked this year. He also assured the Olds Club that the Association of this province, including Burnt Stick lake, would be heartily supported by the Didsbury Club.

Mr. George Spargo, secretary of the Alberta Fish and Game Association, was the main speaker of the evening and outlined the aims and objects of the Fish and Game Association of this province, and promised that the provincial association would at all times co-operate with the Didsbury Association in an endeavor to have the game laws of the province and would give them every assistance possible.

Howard Hammett, M.L.A. for the Didsbury constituency, spoke briefly and explained a few of the changes in the new Game Act, just passed by the Alberta Legislature. He also stated that the Alberta Government was strongly in favor of the work being done by the Game Associations of the province and would give them every assistance possible.

The highlight of the evening was the showing of Wild Life pictures by them Kjar, Fur and Game Inspector for Southern Alberta. Pictures shown included those depicting the restoration of migratory waterfowl breeding grounds in Canada by Ducks Unlimited; the nesting grounds of various waterfowl; game, deer, predatory birds and animals; a trip in the Clearwater Forest Reserve; and the trapping and removing of Beaver from one part of the province to another. Lunch was served at the close of the meeting.

A large number of new members have already taken out membership in the Didsbury Fish and Game Association and prospective members are urged to contact the secretary, H. Lynch-Staunton, so that their name can be included in the list to be sent in for the magazine "Game Trails" which is free with each membership to the Association.

MORE BULLS PURCHASED

Additions to the list of purebred bulls purchased by Didsbury stockmen at the recent Calgary sale are: Polled Hereford by Rubie Rodney for \$300; Hereford by Nelson Bros. for \$310; and Aberdeen Angus by W.P. Schultz for \$260.

ROSEBUD JR. BASEBALL LEAGUE IS FORMED

Rosebud Junior Baseball League was formed at a meeting held in Didsbury April 4th, consisting of teams from Olds, Crossfield, Carstairs and Didsbury.

The league will be for boys 20 years and under and play will commence on May 1st.

Officers elected were: Hon. President, J.V. Borscht, Didsbury; President, Jim Gloecklin, Didsbury; Sec-Treas, Chuck Miller, Olds.

League Representatives: Olds: Red Knight and Chick Miller; Didsbury: Chuck Newton and Chubby Scott; Carstairs: R. Lissener and Art McCox.

Crossfield: J. Stevens and E. Bills. The schedule will be published later.

B. C. TRIMBLE TO BE THE DEPUTY REEVE

At the regular meeting of the Council of the Municipal District of Mountain View No. 49 held at Didsbury on Wednesday, April 3, all councillors were present and the following appointments were made: Reeve, A. L. Hogg; Deputy Reeve, B.C. Trimble; Auditor, C.E. Reiber. Roschad Health District representatives: Councillors Geo. Haas, H. Roedler, B.C. Trimble, and Reeve A.L. Hogg.

Four Tax Consolidations were approved with settlement obtained in full.

Two old age pension applications were also approved. Council passed a resolution asking the government to declare the roads from Carstairs to Cremona, Carstairs to Aene, and Olds, east, as secondary highways.

Several petitions were received from ratepayers asking for gravel on the one-third basis, and Council accepted the petitions, which include the following roads: Past the Byron school on west of 32-29-26, through N.Y. of 18, in Twp. 29, Rge. 3.

West of sections 2 and 11, in 32-25, and south of sections 2 and 3, in 32-25.

From Netook airport, east.

East of Sections 18, 19, 30 and 31, in Twp. 32-15.

Between sections 32 and 33 - 28-15, and east of section 36-28-25, and north of the N.E. of 36-28-25.

An agreement was reached to lease the picnic grounds in N.E. of 33-32-45 at Westward Ho on the Little Red Deer River to H.J. Bird, giving him permission to erect cabins, with the understanding that he keep the grounds clean and put in roads to the camp ground.

A resolution was passed to co-operate with the Town of Didsbury in an endeavor to have the road hard-surfaced from the highway into town.

The South Central Alberta Association of Municipal Districts advised that a meeting would be held in Calgary on Friday, April 5, and Councillors C. Fox, H. Roedler, G. Haas, Reeve A.L. Hogg and Sec-Treas. A. Brusso were appointed as a delegation to attend.

Another meeting of this Association will be held at Red Deer on Saturday, April 13, and Council appointed Councillors F. Metz, F. J. Niddrie, B.C. Trimble, Reeve A. L. Hogg and Sec-Treas. A. Brusso, to attend.

It was agreed to again supply Gopher Poison to farmers in the Municipal District of Mountain View No. 49 on the same basis as in former years. This means that farmers can get gopher poison at Olds, Didsbury, Carstairs, Cremona and all the other towns in the district.

Hour rates of pay were set for labor at the same figures as last year, i.e. Single man 50c; man and two horses 70c; man and four horses 90c; two-horse team only 20c; local foreman 60c; extra man on grader 50c.

Maintaining by Mile Travelled: Man and four horses on drag 40c; man and six horses on drag 60c; Tractor on 3-blade drag or 10-foot blade, 50c; Tractor on 12-foot blade 60c; Tractor on 10-foot blade and drag 65c; Farm Tractors, small 1.25 per hour; medium, \$1.30; and large \$1.75.

HARVEY HOSEGOOD IS MT. VIEW CO-OP DIRECTOR

Harvey Hosegood, Sid O'Brien, H.C. Larsen, Doris Wilson, Alfred Gowitz and W.W. Gillette attended the annual meeting of the Mountain View Co-Operative Livestock Marketing Association held at Red Deer on April 6th.

Harvey Hosegood was re-elected as one of the directors for Didsbury, the other director, H. C. Larsen, having another year of his term to run.

A dividend of 10 cents per hog was declared by the Association.

A resolution was passed urging the Dominion Government to restore the \$1.00 premium on Grade A hogs, as the new system will have a tendency to lower grades, since all hogs are now eligible for the \$2.00 rate.

A delegation from the Didsbury Fish and Game Association interviewed the Council asking assistance for crow and magpie eggs and feet competition, and Council decided to assist the Associations of Olds, Didsbury, Carstairs and Crossfield by paying 1/2 cent for eggs, one cent per pair of young feet, and 2 1/2 cent a pair of old feet, providing that proof of collection is submitted.

Accounts and pay sheets completed the business of the meeting.

Co-operation In Education

THESE WERE FEW ASPECTS OF LIFE which were not affected by the German conquest of Europe, and the task of restoring the occupied countries is an enormous one. One of the many urgent needs is for the re-building of educational institutions, which were often wilfully destroyed by the Nazi invaders. In 1942 a conference of Allied Ministers of Education was called in London, when plans were discussed for providing assistance in restoring the schools and colleges of Europe after the war. Later, representatives from the Dominions of the British Commonwealth, India, the United States, Russia and China were invited to join the original organization, which had consisted only of members from Britain and nine enemy-occupied countries of Europe.

Book Centre Was Set Up

Early in the present year this work was formally taken over by the Preparatory Commission of the United Nations' Educational, Scientific and Cultural Organization. One important project of this body is to provide books and periodicals for Allied national and university libraries. This work was commenced several years ago, books being provided by Britain and the Allied governments. An inter-allied Book Centre was opened in London and already nearly half a million books have been collected, through book salvage drives, and as gifts from universities, cultural societies and interested individuals. At present two hundred thousand books come into the Centre each week and the objective is to have two million books available for distribution at the end of this year. In addition the problem of providing school equipment and scientific apparatus has been studied, as well as plans for the international exchange of teachers and students.

May Contribute To World Peace

It has been recommended that this work be incorporated in an educational organization within the structure of the United Nations, and forty-four nations have already agreed upon a constitution for a United Nations' Educational, Scientific and Cultural Organization, the aims of which are "to contribute to peace and security by promoting collaboration among nations through education, science and culture, in order to further universal respect for justice, human rights and the fundamental freedoms which are affirmed for the peoples of the world by the Charter of the United Nations." It is possible that through this work a lasting and constructive contribution will be made to the cultural re-building of Europe, as well as to a greater measure of cooperation and understanding among the nations.

British Who's Who Carries Biography Of The Aga Khan

The Aga Khan is a prince above princes. His biography in the British Who's Who lists his honorary degree from Cambridge, his British honors and decorations, his chairmanship of the Indian Round Table Delegation of 1930 and 1931, his presidency of the League of Nations Assembly in 1937, his victories in the Derby, his eleven-gun salute and almost incidentally, his religious role. He is in fact a descendant of Fatima, the daughter of Muhammad and as such is believed by his followers to have divine attributes. These are not visible to Western eyes. Indeed, he does not parade them for the benefit of his cosmopolitan friends. On the worldly scale he is a character with two phases: an Indian leader who has tried to unite India's Moslems, and has done a good deal for the economic welfare of his Indian followers, many of them converted Hindus; and an international playboy of a type not as common as it used to be. —New York Times.

India's area is 1,576,000 square miles and contains more than 400,000,000 people.

Just Existing

Some Homes Too Orderly For People To Live In

We have had the experience, as has probably everyone, of going into houses in which real living is forbidden. These are the ones where there is a mania for cleanliness and order amounting to a fetish. We often wonder what satisfaction they bring to the 100-particular housewife.

There are houses with parades that are never seen, even those where the front door is unused. Expensive rugs must not be profaned by the tread of shoes carrying the dust of the streets.

There are bookcases filled with volumes that must not be handled for fear of smudges, curtains that must not be subjected to the fumes of tobacco smoke.

The family exists mainly in the kitchen. Jones ordered brown bread. The waitress brought him white. The second day he ordered brown and again got white. This went on for a week.

Then he decided that the only way to get what he wanted was to order the opposite. So he started the new week by adding to his luncheon order: "And bring me some white bread."

"But," explained the girl, "aren't you the gentleman who always has brown?"

Price Control And Rationing Information

Q.—How many sugar-preserves coupons become valid in the month of April?

A.—Three of the new combined sugar-preserves coupons will become valid during April, 85 on April 4, and coupons 86 and 87 become valid on April 18. Pink sugar coupons numbered 46 to 70 expire on March 31.

Q.—Will we be receiving another ration book from the Wartime Prices and Trade Board?

A.—Ration book number six will be issued early next fall.

Q.—I heard over the radio while I was listening to "Soldier's Wife" program that we could obtain suggestions from some department of the government in Ottawa for extending butter. Where could I write to obtain these recipes?

A.—These recipes for stretching the butter allowance may be obtained by writing to the Department of Agriculture, Ottawa.

Q.—A friend of mine told me that she bought butter at a store without coupons, by promising them at a later date. Is this lawful?

A.—The law demands that coupons must be surrendered at the time rationed goods are purchased.

Please send your questions or your request for the pamphlet "Consumers' News" or the Blue Book in which you keep track of your calling prices, mentioning the name of this paper to the nearest Wartime Prices and Trade Board office in your province.

BEHAVIOR

Men's behavior should be like their apparel, not too strait, or plain or dirty, but true to exercise or motion. —Bacon.

There are men whose manners have the same essential quality as the simple and awful sculpture on the friezes of the Parthenon. —Ralph Waldo Emerson.

Right motives give spurs to thought and strength and freedom to speech and action. —Mary Baker Eddy.

Nothing except what flows from the heart can render even external manners truly pleasing. —Blair.

Conserve Feed Supplies

Saskatchewan To Develop Long Range Fodder Production

Steps will be taken this year by the Saskatchewan government to conserve feed supplies and develop a long-range program for fodder production in all deficiency areas in the province. It has been announced by Agriculture Minister I. C. Nellet. Mr. Nellet said that the agriculture department wanted local groups to organize in order to create fodder reserves for at least one drought year. He said that "the possible use of vacant lands and irrigable areas for this purpose will be fully investigated."

A committee named by the minister of agriculture conducted surveys of two municipalities in 1945. These surveys dealt with grass land, water supply, irrigation possibilities and pasture development. The studies will be continued in order to develop policies for land use.

"Are you sure you can cut up your own meat?" asked Auntie.

"Yes, thank you," replied little Bobby politely. "I've cut up a good deal tougher meat at home."

"What makes you look so dirty?" asked the neighbor.

"Well," replied the little lady of five, "you gave my brother a dime yesterday to wash his face."

"Is there diplomacy in business, dad?"

"Certainly, my son. It's the art of never saying no but always taking a matter under advisement."

Vicari: "How did you get that black eye, Mrs. Green?"

"Well, sir, my husband came out of prison last Tuesday, which was his birthday, and I wished him many happy returns!"

Young Man: "How about some old fashioned loving?"

Sweet Young Thing: "All right. I'll call grandmother down for you."

"Shirley, are you ready? Your boy friend's car is at the door."

"Yes, mother. I hear it knocking."

Sonny: "Dad, what do you call a man who drives a car?"

Dad (a pedestrian): "It all depends on how close he comes to me, my boy."

"Can you milk that cow?" the farmer asked the new land-girl.

"I'll try," she answered.

"Right. Go ahead and let's see what you can do."

Twenty minutes later the farmer returned. "Well, how did you get on?" he asked.

"Not so bad," replied the girl. "but wouldn't it have been better if I'd had a bucket?"

A waitress asked me what I wanted. "I feel like a sandwich."

I said, "She said, 'and give me your order. Don't blame me if the place is overcrowded.'"

ENTHUSIASM SHOWN AT FALLEN TIMBER MEETING ON ROADS

A road meeting was held at the Fallen Timber on April 4th. Road Foreman Alex Moore called the meeting to order and W. J. Dick

was appointed chairman, with W.H. McGiffin as secretary.

Mr. Fair raised the question as to whether the District Engineer had the right to appoint the road overseer, or whether the ratepayers elected him. A. Moore and R.E. McMullen claimed that it had always been the Engineer's prerogative to appoint the foreman. The discussion ended by unanimously recommending Mr. Moore to the Engineer as foreman for the coming season.

A motion was made by P.J. Fair and seconded by Wm. Money that we ask the Department for a bridge across Blindman's Creek, on the Township line between Twps. 30 and 31, and S.W. 1/4 of Sec. 2, and N.E. 1/4 of Sec. 34. Motion carried. The Foreman's report on expenditures for the past season were as follows: Government allotment, \$875.00. Spent on lumber for culverts \$114. Grading, filling, etc., \$814.60. Total expenditure \$928.60.

The foreman also reported that he was unable to finish the road south from the cemetery in the Bergen district on account of labor shortage.

Motion was made by W.H. McGiffin and seconded by J.H. Cooper that we recommend the travelling of the road on the Township line 30 and 31, between the Fallen Timber Creek bridge and the Municipality line. Motion carried. Motion made by R.E. McMullen

and seconded by John Howton that we ask the Government to supply us with modern road machinery as the tools we have are entirely inadequate for the work. Motion carried. Meeting adjourned.

BUTTER PRICES INCREASE 4¢

Increase of four cents per pound in the price of creamery butter at all levels is designed as an incentive to greater butter production in the coming year, and also to bring

creamery butter prices in line with other dairy products, the Prices Board states. Prices for dairy butter and whey butter remain unchanged.

RED CROSS CAMPAIGN NOW SHOWING RESULTS

The Didsbury branch, Canadian Red Cross, which extended its membership campaign to Saturday, April 13, reports that to date the sum of \$902.01 has been collected, and it is hoped to greatly surpass this figure before the close of the campaign.

FRIEND STANDS BY

When trouble comes your soul to try.

You love the friend who just "stands by".

Perhaps there's nothing she can do. The thing is strictly up to you.

For there are troubles all of your own, And at times the soul must tread alone.

Times when love cannot smooth the road.

When friendship lift the heavy load.

But just to know you have a friend Who will "stand by" until the end.

Whose sympathy thru all endures, Whose warm hand clasp is always yours.

It helps some way to pull you thru, Altho there's nothing she can do.

And so with fervent heart you cry, "God bless the friend who just stands by".

Dedicated to my Friend,

Mrs. Cunningham

NEW FOOD CONTRACTS

Recently Agricultural Minister Gardiner announced new food contracts for the export of food to the United Kingdom. The contracts between Canada and Britain for our farm products will cover the next two years, and include bacon, ham, beef, mutton, cheese, eggs, evaporated and powdered milk.

Important for Canada hog raisers is the clause in the contract which provides a new price for bacon, which will result in an increase to each farmer of approximately \$2 per hog.

There are other aspects to these food contracts of importance to farmers. While it is true that there is a seller's market in Great Britain for foodstuffs, it has required Canadian Government organization of export facilities, feed grain arrangements, and the distribution of information to agricultural areas, to capitalize on this seller's market.

WHEAT PROGRAM SEEMS FAVORABLE

There was considerable approval, even from the Opposition in the House of Commons when Trade and Commerce Minister MacKinnon reported Government policy regarding the Western wheat crops.

First, the present initial payment of \$1.25 per bushel basis No. 1 Northern in store at the head of the Lakes or on the Pacific Coast will be continued until July 31, 1947. Second, there will be no over-all restriction on wheat deliveries during 1946-47, although there may be temporary quotas at the start of the season so as to distribute local elevator space fairly. Third, special measures are being taken to increase current wheat deliveries, to make available the utmost quantities of food to help meet the needs of the people in parts of the world less fortunate than Canada.

Effective immediately, wheat which farmers may not have intended to deliver at the present time can be marketed and sold, the farmers receiving special certificates which may be cashed any time during 1946, 1947 or 1948. The arrangement will be effective until June 30, and farmers desiring to unload their surplus grain should do so at the earliest possible date.

Of course, this means not only that urgently needed wheat will flow from farms into the food routes of the world, but also that farmers may spread out their income receipts as they wish, to help reduce the burden of the present income tax rates.

WESTCOTT NEWS NOTES

Quite a number of Westcott folks turned out Wednesday night last to the Church and shower for Mr. Wallace Hughes and his very charming English war-bride. We wish to extend to Mr. and Mrs. Hughes our best wishes for their future.

Mr. and Mrs. Rudolph Goeljen and son Harvey of Carstairs spent last Friday with his brother Herbert Goeljen and family at Westcott.

We are very sorry to hear about the accident which occurred at school last week when Leonard Luft was unfortunate in breaking a bone in his ankle while at play. We certainly hope that it won't be too long before Leonard is back at school again.

Mr. and Mrs. Peter Stakenus and baby Elaine of Calgary were visitors at the Herbert Goeljen home on Sunday last.

Sorry to hear that Mrs. John Bonner is on the sick list again. Mr. John Stevenson is also on the sick list. We understand he is receiving medical attention in Calgary this week. His brother-in-law Wesley Panke of Elkton, is taking his place at Mr. Jack Robertson's while Mr. Stevenson is away.

Roads are drying up nicely in this district except for such roads that have been in poor condition for sometime previous to this spring. The Jacobsons and Goeljens have been marooned for so long they have become quite used to taking horses or tractor or both along with their cars out to the main road as their only means out is by the neighbors fields, etc.

HARMATTAN NEWS NOTES

Miss Doreen Armstrong came home from Calgary for the week end.

A good crowd attended the dance at the hall on Friday. Everyone appeared to be having a "super" time. Pte. Lester Clark of Coronation who recently received his discharge and was returning home, stopped for the week end to visit his aunt and uncle, Mr. and Mrs. A.C. Gilmore, of Harmattan.

JUNIOR BASEBALL TEAM RE-ORGANIZED IN DIDSBURY

An organization meeting for the Didsbury Junior Baseball team was held in the Didsbury High School Monday, April 8. Jimmy Glockzin and "Clubby" Scott were unanimously adopted to coach and manage the team, and the following officers were elected:

Honorary President, Mr. Harold Woods; Team President, Bill Moon; Sec.-Treas., Charlie Newton; Executive, Glen Thompson; Robert Erb, Trevor Morgan, Royden Moon, and Ronald Belmer.

A discussion on how funds should be raised was held, but this was finally left to the executive to decide.

Miss Grace Topley of Vancouver is spending her vacation at Didsbury, Edmonton and Calgary.

Mrs. Alex Hill had as her guest over the week end, Mrs. Rose Weber.

Miss Mary Ringheim spent the week end in Calgary with her two sisters, Mae and Gladys.

Miss Margaret Hanson, Regent of Mons Chapter I.O.E., attended the convention in Edmonton last week and returned to Didsbury on Friday.

W. Armour has commenced the excavation of a basement for his new house to be built between Miss Ferguson's and Gus Bitner's places of residence.

NOTES FROM THE EAST

Don't forget the bazaar at the Jutland school this Saturday, April 13th. Everybody welcome.

Miss Rachel Stevens spent the week end at her home in Swallow. Roy Dowell has finished his term at the "Tech" and returned home last week end for the spring work.

Fred Metz visited Monday evening with Mr. and Mrs. Lloyd Cipevery. Lloyd is still suffering from rheumatism.

Mrs. Dowell has been laid up with the flu. Very few in this district seem to have escaped it this winter.

Rev. D.C. Eby gave an illustrated lecture on the Holy Land and Turkey on Wednesday evening last in the Jutland school. After a year program of songs and recitations lunch was served by the ladies.

Don Cook, son of Mr. Al Cook, has been very ill. After returning from overseas he visited for a time in Calgary. Coming out to the farm with his father he took sick, the after effects of an old baseball mishap. At present he is recuperating in an Edmonton hospital.

MOUNTAIN VIEW NOTES

Mr. and Mrs. Westfall and Mr. and Mrs. J. Worrall attended the graduation of their daughters at the O.S.A. Thursday evening. Others attending were Mr. and Mrs. B. Tuggle, Mr. and Mrs. Stiles and Lawrence Hunter.

Miss Moore who taught at Burnside for a month at the beginning of the term is to be congratulated on winning two special prizes at the O.S.A.

Mrs. Dawson of Neapolis visited with Mr. and Mrs. Ed Ford in Didsbury over the week end.

Mr. and Mrs. Lloyd McCall were dinner guests at Stewart Hooper's Sunday evening.

Dan Cook is seriously ill from wounds received overseas, and he was rushed to the Didsbury hospital last Thursday evening by the Fisher Funeral Home ambulance. We all wish him a speedy recovery.

Mrs. Ed Blain went to Calgary last week where she is receiving medical treatment and visiting with friends.

Mr. and Mrs. Ellis Barnes and family are staying in Didsbury till such time as they can get straightened around to go to the U.S.A.

EXPECT HIGH DEMAND

Cheif reasons behind the expected high demand for farm products throughout 1946 are the larger volume required for export and relief, and the expected high level of civilizing purchasing power.

A ceremonial scarf for King George, together with a letter containing Tibet's congratulations on the Allied victory, was received by Viscount Wavell, Viceroy of India, from the leader of a Tibetan guerrilla mission.

Applies Anywhere

Many People Eat Too Much Even When Food Is Plentiful

The Buffalo Courier-Express says: While the request by President Truman's Food Administration for a reduction of 40 per cent in wheat consumption and 20 per cent in fats may sound rather drastic, the fact remains that this is the best fed nation in the entire world and that millions of Americans eat daily much more food than they require. To such an extent that they eat more food than they need, that medical men are forever warning against excessive eating. Thus millions of Americans, who have previously been eating more food than they need, will, if they cooperate in the campaign against starvation in Europe and Asia, enjoy much better health. The reduction in the type of food bill is not a factor lightly to be disregarded either. Less avoidable will mean more money in the bank.

Experimental Farm

Alberta Farmer Going To Establish One In Ethiopia

While Emperor Haile Selassie, of Ethiopia was in forced exile in England during the war, he learned to enjoy the fruits and vegetables grown on Canadian farms. As a result, Howard Thompson, Markerville, Alberta, farmer has been commissioned to set up an experimental farm for the Ethiopian government in that country.

Thompson's brother, a missionary in Ethiopia and friendly with the emperor, persuaded him to take the job. At present he is busy purchasing nursery stock in the Bowden area. Stock already purchased includes garden seeds, trees, bushes, shrubs, strawberries and other plants. The seeds for Ethiopia will be sent in sealed containers to ensure dryness and along with the nursery stock, will go by ship to Cairo and from there will be flown to its destination.

Mr. Thompson has just returned from a short trip to Ethiopia, and plans to take his wife and family back with him. His contract is for three years and his family will have to take clothing for that time. Finding the country much like Alberta, Mr. Thompson plans to settle there permanently.

The Ethiopian government have given Mr. Thompson a half section of land in Ethiopia and \$8,000 to buy the necessary nursery stock, a tractor and other farm implements.

Wants To Make Tests

Man Has Idea His Invention Would Defy Atomic Bomb

John Lussier, who went over the Humberstone Falls in a rubber ball on July 4, 1928, announced that he would like the United States navy's permission to test a new type rubber ball against the atomic bomb. Lussier had started plans to interest naval authorities in his new proposal. It is to house rabbits with food enough for a week in the smallest of three specially designed concentric rubber balls. He said the atomic test device would consist of balls 12 feet and 5 feet respectively in diameter. He plans to line each space except the inner rabbit chamber with protective lead, asbestos and cork.

BUILT IN ONE DAY

Prefabricated houses, consisting of four rooms with stone tops and tiled roofs, now are being produced by a building firm in Nairobi, Kenya, to help solve the African housing problem. They cost about \$100 (\$720) and can be erected in one day.

IN KING OF YUGOSLAVIA AND SON WHO LOST THE CROWN—Even though he hasn't a throne any more, Mr. Peter Karageorgievich, once king of Yugoslavia, is hoping his son will some day wear the crown he lost. The young prince Alexander, gets a smile from his parents. Yugoslavia, under Tito, was declared a republic.

Operation Elephant

Mobile Anti-Aircraft Battery Was Introduced To Guard Churchill

Macdonald Hastings tells this story in the Picture Post: From the time he became Prime Minister it was manifest that Mr. Churchill's own safety was a major factor in Britain's defence. So looking after him was regarded as a military operation, and it was called "Operation Elephant"—the elephant being the Prime Minister. One of the features of "Operation Elephant" was a mobile anti-aircraft battery which used to accompany the Prime Minister wherever he went. Churchill took immense pride in this anti-aircraft battery. He used to call it, to the indignation of the officers, his personal flak, and when he went away for the weekend to the country he always insisted on having one of the guns mounted outside the front door so that he could display it proudly to his guests.

As a personal defence the anti-aircraft battery was a failure. The original arrangement was that if the aircraft came within 30 miles of the Prime Minister the guns would be manned and Mr. Churchill and his staff were to go to the air raid shelter. But it did not work out that way. As soon as the air raid alarm sounded, from going to the shelter, the Prime Minister grabbed his field glasses, raced up the stairs and took his stand in the most exposed position on the roof. Up there he insisted on a complete plot of the raid and was always extremely disappointed if his view at Vancouver. Whether there was an improvement depends upon the nation's ability to produce next year, said Mr. Robinson.

The Japanese invented the folding fan in the seventh century.

Loss Felt Keenly

London Times Pays Fine Tribute To Hon. Vincent Massey

The Times of London, in a lengthy obituary, referred to the retirement of Rt. Hon. Vincent Massey as High Commissioner in London, as the loss to British public life of an eminent and popular figure and called him "The father of the Canadian Diplomatic Service." "During more than half of his term of office, Great Britain and Canada jointly were engaged in a supreme struggle for the defence of their common ideals, and it fell to Mr. Massey to become head of the Canadian community in and out of uniform that quickly formed on British soil." "The Times said Mr. and Mrs. Massey both had labored constantly and successfully to promote the welfare of Canadian men and women on war service in the British Isles and had entered fully into the life of Britain in peace and in war.

The newspaper described Mr. Massey's war speeches as an inspiration in dark times which would be remembered as a Canadian interpretation of the faith by which Englishmen and Canadians are united.

OUTLOOK OBSCURE

Although it is hoped Canada's domestic butter ration will be increased from four to six ounces by May 1, the possibility of improvement in the overall situation remains "fairly obscure," O. W. Robinson, administrator of ration administration, Montreal, said in an interview at Vancouver. Whether there was an improvement depends upon the nation's ability to produce next year, said Mr. Robinson.

Engineers recently proved scientifically that glass is some 200 times stronger than satin and about 475 times stronger than silk.

Better Than Meal

Small Boy Sacrificed Lunch Money

But Got Big Thrill The late Sidney Gedge, for many years solicitor to the London School Board, when over 80 said that as a little boy of nine he came up to London to spend a holiday with relations.

In the casual manner of the times the child was sent out to amuse himself as best he might, with a shilling in his pocket for his meals. Strolling into Trafalgar Square he found the newly erected Nelson column still festooned with confetti, and watching his opportunity to evade the woman who had been the ladders. But he reckoned without the monumental reason, for when he emerged in the top of the column there they were, and there lay Lord Nelson, not yet erect upon his feet.

"The man were angry, and said that he must 'pay his fee'." So he was forced to hand over his shilling. "But," Mr. Gedge added, "I said to myself I was going to have something for my money, so I stooped down and kissed the face of Nelson." I think he felt the elation was worth the subsequent hungry afternoon.

An upside down meat loaf is an exotic dessert you've been fantasizing about for a party touch for weekend hospitality without infringing too greatly on your week's ration. To achieve such a goal, line the bottom of a greased baking dish with slices of cooked sweet potatoes, lightly sprinkled with brown sugar. Top with your very best mixture of ground meat (veal with pork or beef makes a good combination), artfully seasoned and strategically extended with crumbs and egg. When baked, turn upside down onto a platter and garnish with some vegetable greenery. As fat saved from meat rookery assumes a real significance these days, sausages are suggested for Monday to help you balance supply and usage. From the point purchase you will be assured of a tasty dinner, as well as some extras to add a spark to a breakfast menu. While there's still an "R" in the month, an oyster stew will fit well into the nonfat day pattern of Tuesday. For complete satisfaction accompany it with crisp crackers, strips of raw carrots, turnip and celery, and follow it with that fat-
